Re: Update on Previous Filed Petition

Dear Clerk;

I am forwarding a request regarding the recent filed amended petition dated on May 16, 2013, where it was filed to amend ground four in the habeas petition. With all due respect, it's been about two (2) years since I've heard anything about the petition, and to avoid future delays of any petitions that may need to be filed in a timely manner, I'm asking the Court to provide me with an update on the petition.

Thank You,  
Glenn Grose #93456
